

April 29, 2026

Dear colleagues:

**Announcement and Call for Applications of
GMA Workshop 2026
Daejeon, Korea**

It is my great pleasure to announce that KRISS Academy is going to host Global Metrology Academy (GMA) workshop in 2026. The workshop is scheduled to take place for September 15-September 22, 2026 covering the key subjects of Mass and Related Quantities.

[GMA Workshop 2026]

Themes	Dates	Applications due by
Mass and Related Quantities[MRQ]	September 15-September 22, 2026	June 26, 2026

Intensive technical sessions are effectively designed with lectures and hands-on exercises of basic/intermediate level, so that they could get better understanding of fundamental knowledge and advanced skills of measurement that are prerequisites for participants to play a leading role in their professional fields of metrology. It will enable them to better meet the needs of customers across wide sectors with quality measurement services. The MiG (Metrology in General) session addresses issues such as CIPM MRA and QMS.

In view of better performance of learning, each course will accept **around 15 participants**. Enclosed please find the overview of the GMA workshop 2026 and application form, which present provisional programs and qualification/requirements for application. For any inquiry about applications, please contact Jiseung Yoo(jiseung.yoo@kriss.re.kr) and Dami Jung(dmjung@kriss.re.kr)

Wishing you all the days to come filled with good health, prosperity and love!

Sincerely yours,

Sook-Kyung Kim,
Director, KRISS Academy
Korea Research Institute of Standards and Science (KRISS)
